Last Updated: February 9, 2026

1. Introduction This Privacy Policy describes how Smart Esek ("we," "us," or "our") handles data through our internal Google API integration. This application is used exclusively for internal business automation to manage pharmacy communications.

2. Data We Collect We access Google User Data (specifically Gmail/Calendar) only to facilitate automated messaging and scheduling as part of our business operations. We do not sell, rent, or trade this data to third parties.

3. Data Usage The data is used strictly to:

- Automate notifications to points of contact.
- Log business communications for record-keeping.

4. Data Security We implement standard security measures to protect the integrity of the data processed within our n8n environment.

5. Contact For questions regarding this policy, contact: smartesek@outlook.com
